Notes:

- This is handled in accordance with our university's "Guidelines for Offering Summer Courses."
- Polit courses require a minimum of 15 students to open. If the number of students is less than 15, the course will be canceled. Credit fees will be refunded within 1–2 months.
- Retake courses are only available to students who need to make up credits. If the enrollment is fewer than 15 students, the course may still be offered only if the enrolled students agree to share and cover the credit fees equivalent to 15 students.
- For zero-credit courses, credit fees are charged based on class hours (e.g., Courses that meet for one hour per week are charged based on the standard rate for one credit.).
- Credit fees must be paid at the time of course registration. Except in cases where a course is cancelled, no refunds will be issued.
